NOTICE OF AWARD

Awardee: Daniel Hoffman, BS
Project Title: Georgetown-MedStar CERSI Scholar
Project Period: 07/01/2017 – 06/30/2018

Dear Mr. Hoffman:

On behalf of the Georgetown University Center of Excellence in Regulatory Science and Innovation (CERSI), the Georgetown University Medical Center Program for Regulatory Science & Medicine, and MedStar Health Research Institute, I am pleased to appoint you as a CERSI Scholar for the 2017-2018 program year.

CERSI Scholars is a collaborative effort between the Georgetown CERSI, Georgetown University Medical Center (GUMC), and MedStar Health Research Institute (MHRI). The program will engage individuals who are deeply committed to public health and actively pursuing research, education, or training in regulatory science. CERSI Scholars will raise awareness among their peers and throughout their careers about regulatory science and how its application can improve innovation in medical product development. This program will elevate training and mentorship opportunities for rising leaders in regulatory science.

Acceptance of this award including the "Terms and Conditions" is acknowledged by the awardee with a signature on the following page.

If you have questions about this award, please contact Erin Wilhelm, eeew6@georgetown.edu.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Ira Shoulson', is written over a horizontal line.

Ira Shoulson, MD
Professor of Neurology, Pharmacology, and Human Science
Director, Program for Regulatory Science & Medicine (PRSM)
Principal Investigator, Center of Excellence in Regulatory Science and Innovation (CERSI)
